

Proposed Conditions

1. New Road Aurora Drive

A. Creates new signaled intersection on Nifong

- i. Centralized location between Providence Road and Bethel Avenue intersections
- ii. Greater stacking length prevents traffic from blocking other intersections
- li. Tee intersection eliminates traffic movement from fourth leg, increasing efficiency

2. New Peach Tree connection road to Aurora Drive

A. Direct connection to signal on Nifong

B. Reduction in left turns at Peach Tree and Nifong

C. Provides signaled intersection for Rock Bridge High School campus and Peach Tree traffic

Peach Tree Connector and Water Quality Project
