

**Elleta Boulevard Sidewalk**  
**South Side Only - from Rangeline Street east to existing sidewalk**  
**Interested Parties Meeting**  
**Wednesday, February 25, 2015, 5:30 P.M.**

**PURPOSE OF TODAY'S MEETING**

Thank You for taking time to attend this meeting. This is an informal open house style meeting to inform local residents and other interested persons about the proposed sidewalk project. This meeting is an opportunity for citizens to ask questions and offer input regarding the proposed project, prior to a formal Public Hearing which will be held by the City Council at a later date.

**PROJECT INFORMATION**

- This proposed sidewalk location is on the south side of Elleta Boulevard from Rangeline Street eastward to the existing sidewalk.
- Concept design includes a 5' wide sidewalk placed 3' behind the existing back of curb, and ADA ramp construction. Project length is approximately 440 feet.
- No permanent street easements are expected. A temporary construction easement will be needed from one property owner.
- Elleta Boulevard is designated as a Local Residential roadway.
- Construction concept cost estimate for this project is \$56,000. The funding source is the Community Development Block Grant (CDBG).
- The CDBG program provides federal grants to local governments and states from the U.S. Department of Housing and Urban Development (HUD). For more information on the CDBG program, visit [www.hud.gov/cdbg](http://www.hud.gov/cdbg).
- Construction of the project is currently scheduled to begin in 2016.
