I. Approve Minutes from Previous Meeting

This was the first meeting. There were no previous minutes.

II. Key Meeting Discussion Topics

"Ideas for the Future", generated by the Big Idea group meetings, were passed around for the group to review. The proposed sub-topic categories (Community Appearance, Historic Preservation, and Revitalization) were approved. The group then divided into smaller groups to identify emerging themes and possible summary statements.

III. Motions and Votes

Motion was made and all approved that the three sub-topics; Community Appearance, Historic Preservation, and Revitalization were appropriate.

IV. Actions to be Taken

The group discussed possible citizens to expand membership. Those individuals will be contacted by current members of the group to attend the next meeting on February 20 or to be guest speakers at future meetings. A second position needs to be filled for Co-Facilitator. At this time, Toney Lowery is the only member that has shown interest. Candidates need to turn in their application card by February 20.
