I. Approve Minutes from Previous Meeting

The minutes from the March 2007 meeting were approved.

II. Key Meeting Discussion Topics

Tim Teddy, Director of the City of Columbia Planning Department, and Stan Shawver, with Boone County Planning & Building answered a list of questions from the group. Questions pertained to existing city and count plans, protection of open space, and conservation easements.

The group discussed the draft goals and strategies by subgroup. This allowed members to comment on subgroups in which they had not been involved.

III. Motions and Votes

No motions were made or votes taken.

IV. Actions to be Taken

Group members were asked to review the comments from the April 4 "Exploring the Vision" and bring comments to the next meeting. Members were asked to select from four dates that were distributed; members will be contacted to confirm the meeting date.
