

B. Final Draft Goal Recording Sheet – To be submitted

As part of Imagine Columbia’s Future, Citizen Topic Groups reviewed the ideas for the future generated by the public, identified sub-topics for organizing these ideas, formed subtopic groups, identified themes emerging from the ideas, and generated draft subtopic goals that reflect that aspirations of the community. These draft goals will be presented to the public at the April 4th Exploring the Vision Workshop for feedback.

This document includes your subtopic’s most recent draft goal that was submitted at Citizen Topic Group Meeting #2. It also presents a suggested revision of the draft goal. In some cases the draft goals have been revised by ACP-Visioning and Planning, Ltd. for clarity or consistency. In a few cases ACP prepared draft goals when none were submitted using the themes provided by the related subtopic group to formulate the draft goal.

Please review the revised draft goal and accept, revise, or rewrite it. Provide the final text in the space provided below.
