In cooperation with the Columbia/Boone County Health Department, the Professional & Community Education program of Columbia Area Career Center offers the **ServSafe® Sanitation Training Course**. This course meets the manager training required by the Columbia/Boone County Health Code. Managers must pass either the national or local exam to meet the requirements of the code. The local exam is only recognized by the Columbia/Boone County Health Department. Either certification is valid for five years.

ServSafe® Coursebook, 7th. Edition, the required textbook, is available upon registration. Read and study the text prior to class — the pace of the one-day session is rapid and the test is administered at the end of the class. **Please be certain to bring your text to class!** If you have access to the text, you do not need to purchase another.

Policies: Payment options include MasterCard, Visa, Discover, cash or check. Businesses will be invoiced upon request. Class registrations may be transferred from one employee to another and/or changed to a later class date. Please notify our office before the scheduled class with changes. After two transfers or class date changes, a \$50 administrative fee will be charged for any further changes. Recertification and exam retakes will be charged the same amount as a regular class. Online exam proctor fee must be paid in advance of test date and is non-refundable and non-transferable.
