Re: CPRB Appeal Number 2016-0009

Dear Chief Burton:

On October 12, 2016, the Citizens Police Review Board completed its independent review of Mr. Easley's appeal. After conducting its independent review, the Board voted to affirm your decision to exonerate the officer on one allegation and further moved that the complaint be sent back to you so that you may make a finding with regard to the other allegation as the Board determined that the remaining allegation does allege misconduct.

Sincerely,
