

Interested Parties Meeting
for
Lake of the Woods
Driving Range

January 10, 2017

Please comment on what you like or dislike about the proposed plans?

Looks good.

What additions or changes would you like to see in reference to the proposed plans?

Seasonal pass for driving range?

Comments received by Email:

Please consider the following in the final development of the driving range:

- 1. Can't tell from the sketches how you drive north back to the Private Lesson Tee Box?*
- 2. Will you use water from the on site lakes for the irrigation?*
- 3. Take a look at the Columbia Country Club teeing mats that they recently purchased. These are very durable and have teeing mechanisms on the mat.*
- 4. Any consideration to reverse the play of the nines since the range will be closer to the back nine.*
- 5. Practice bunker would be nice.*
- 6. Any fencing?*
- 7. Put piping across No. 11 fairway and fill in. Oops, that is not a part of the project!*

This will be a great improvement to course facilities and the city is very lucky to have such an economical facility that is well maintained by hard working employees.
