White - Male

Hair: Brown with Gray  
Eyes: Brown  
Height: 5' 11"  
Weight: 135

Missing from:  
Columbia, Mo.

Curtis L. Weatherly was last seen in the Columbia, MO, area on November 30, 2008. He is a cancer patient and disappeared without his cancer medication. He could appear very thin and very sick. He may or may not have a beard, and sometimes wears glasses. Most of his teeth are missing. He is most likely living as a homeless individual. His family is actively searching for him and is very concerned about his health and well-being.
