### Bocce....

Despite having very few practices, due to weather, the Area Bocce Tournament in Fayette couldn't have gone any better! From the weather to the competition, it was a perfect day! It truly is hard to tell who enjoyed it more the coaches or the athletes! All athletes that participated in Area will advance on to State on the 14th! Best of luck to those who are advancing!

### Bowling....

Practices are off and running! Big thank you to volunteers, parents, and athletes for all of your patience and help during this time of transition! Despite never ending lane changes and glitches with the alley, EVERYONE has been so patient and understanding and that is GREATLY appreciated! Please remember to let us know in advance if an athlete will be missing practice, it helps ensure practices begin on time. We've got our Halloween themed last practice coming up soon, October 29th! Athletes and Volunteers are encouraged to come in costume. Please make sure that costumes are **appropriate** and something you can still **bowling** in.

### Golf....

Our skills practices have come to an end. Huge thank you to head coach Tim Powers and the rest of our volunteers for making this season so much fun, despite the weather! Every athlete showed amazing progress throughout this season and it showed in our Area Tournament! We are so proud of how hard our athletes have worked and progressed this year!

Our course players are all still practicing hard in preparation for State October 14th. A big thank you to head coach Wedge Watkins and our partners for working so diligently with our course players. Because of you the athletes are able to not only practice their skills, but progress them and we truly appreciate that! We wish all course players and their partners the best of luck at State!

### Softball....

Softball practices are now at our changed times-**those who are advancing to state**- because of changes in sunset. Unfortunately not everyone could advance on to State, but all teams have had a great season! Despite the constant weather cancellations, we always seemed to have a great time while also working hard! Thank you to all of our coaches and volunteers for making this Season so great! Best of luck to the teams that are advancing to State!
