CITY OF COLUMBIA, MISSOURI

FINANCE DEPARTMENT ADMINISTRATION

May 1, 2014

Mr. Mike Matthes
City Manager
City of Columbia, Missouri
Columbia, Missouri 65201

This Financial Management Information Supplement (FMIS) is presented with account balances as of March 31, 2014 and with revenues and expenditures for the six month period ending March 31, 2014. The FMIS is not audited, and additionally it is not presented in the governmental reporting model format. The intent of this report is to provide supplemental financial information in an easy to understand format for all funds of the city.

While the city's annual financial report is audited, and is prepared in accordance with generally accepted accounting principles, it provides information at a higher level than the FMIS. It also contains certain accounting entries for receivables, payables, revenues and expenditures that are not included in the FMIS, which require an extended period of time after the fiscal year end to calculate and process. The FMIS is intended to be compiled more timely.

Also, the FMIS presents comparative numbers from the same period of the prior fiscal year using the same accounting disclosure rules, allowing the reader to identify trends and providing some reference for analytic purposes.

The Financial section contains the financial statements for all funds of the city and certain detail schedules are also included. Governmental fund types include General Fund, Special Revenue Funds, Debt Service Funds and a Capital Projects Fund.

The Proprietary fund types include ten Enterprise Funds and eight Internal Service Funds. The Fiduciary fund types include the Police and Firefighters' Retirement Fund (Pension), Other Postemployment Benefits Fund, Expendable Trust Funds and a Nonexpendable Trust Fund. Two account groups are also included: General Fixed Assets and General Long-Term Debt.

Respectfully submitted,

John Blattel, CPA
Director of Finance

SUPPLEMENTAL FINANCIAL STATEMENTS AND SCHEDULES

The supplemental financial presentation contains data beyond what is included in the general purpose financial statements. This data is presented to provide additional financial information in order to better inform the users of the general purpose financial statements.

GENERAL FUND

The general fund is used to account for resources traditionally associated with government which are not required legally or by sound financial management to be accounted for in another fund.

ENTERPRISE FUNDS

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises-where the intent of the government's council is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the government's council has decided that periodic determination of net income is appropriate for accountability purposes.

Water and Electric Utility Fund - to account for the billing and collection of charges for water and electric service for most city residents. Revenues are used to pay for both operating expenses and capital expenditures to maintain these services.

Sanitary Sewer Utility Fund - to account for the provision of sanitary sewer services to the residents of the city and a limited number of customers outside the city limits. All activities necessary to provide such services are accounted for in this fund.

Regional Airport Fund - to account for all the expenses incurred and revenues received by operations at the Columbia Regional Airport.

Public Transportation Fund - to account for all the expenses and revenues resulting from the provision of public transportation services by the Columbia Area Transportation System.

Solid Waste Fund - to account for the provision of solid waste collection and operation of the landfill.

Parking Facilities Fund - to account for revenues and expenses resulting from the operation and maintenance of city parking lots, municipal garages, and parking meters.

Recreation Services Fund - to account for revenues and expenses for various recreational services provided by the Parks and Recreation Department for which participants are charged fees.

Railroad Fund - to account for revenues and expenses resulting from the operation of a railroad branch line which runs from a Norfolk and Southern main line in Centralia, Missouri to the City of Columbia.

Storm Water Utility Fund - to account for storm water funding, implementation of storm water management projects, and provide maintenance to existing drainage facilities.

Transload Fund - to account for revenues and expenses associated with the operation and maintenance of the Transload Facility.
