Situation Summary:

COVID 19 has reached global transmission.

- Risk Assessment for travel:
<https://www.cdc.gov/coronavirus/2019-ncov/travelers/map-and-travel-notice.html>
- All 50 states, The District of Columbia, Puerto Rico, Guam, the Northern Mariana Islands, and the US Virgin Islands have reported cases of COVID-19.
- 27 states report more than 40,000 cases of COVID-19

- For case information by state follow this link:
<https://www.cdc.gov/coronavirus/2019-ncov/cases-updates/cases-in-us.html#reporting-cases>

CDC has begun recommending all individuals wear facemasks to reduce the chance of transmission while out in public as of 4/3/2020. Children under the age of 2 should not wear masks because of suffocation risk.

More than half of the states in the United States have issued state wide mask mandates.

The CDC has updated guidance to change when isolation should end for a positive case of COVID 19, now reflecting one day free of fever and an improvement in symptoms. Isolation should end 10 days after symptoms have started. Links for this updated guidance can be found:

Received waiver from FDA for non-congregate feeding sites, this allows Columbia Public Schools and other children feeding programs to provide meals to children throughout the summer. <https://www.fns.usda.gov/cn/covid-19/non-congregate-feeding-nationwide-waiver-extension>

As ESF-6 lead, City of Columbia Division of Human Services has activated a COVID-19 Get Help webpage website to list key human services resources needed during the pandemic: COVID-19 Get Help (<https://www.como.gov/health/gethelp-coronavirus/>).

As ESF-6 lead, City of Columbia Division of Human Services has organized five local funders (City, County, United Way, Community Foundation, and VU Foundation) in a collaborative called ComoHelps (<http://comohelps.org>). Through this collaborative we have consolidated financial donations for the COVID-19 response. Financial contributions are being routed to the Heart of Missouri United Way and the Community Foundation of Central Missouri. Nonprofit and governmental volunteer needs are posted, along with the opportunity for community members to sign up as unaffiliated volunteers for assignment as needed.

ComoHelps also developed a single, joint application for nonprofits to submit requests for funding. This expedites access to support for nonprofits and allows us to coordinate funding used in response to the COVID-19 pandemic. The ComoHelps collaborative meets daily to review

and prioritize requests and to allocate funding. The current focus is on funding services being provided in response to COVID-19. Requests for nonprofit sustainability are being referred to federal CARES Act programs and tabled for later consideration. Because this funding collaborative is so unique, ComoHelps have received grants from state and national foundations.

The University of Missouri hosts a walk up clinic for COVID 19 testing to its MU Students beginning 8/24/2020.

MU Healthcare hosts a drive thru COVID 19 testing site located at 115 Business Loop 70 W. The site hours of operation to Mon-Fri 8 AM to 7 PM, Saturday 8 AM to Noon, and closed on Sundays.
