As ESF-6 lead, City of Columbia Division of Human Services has activated a COVID-19 Get Help webpage website to list key human services resources needed during the pandemic: COVID-19 Get Help (<https://www.como.gov/health/gethelp-coronavirus/>).

As ESF-6 lead, City of Columbia Division of Human Services has organized five local funders (City, County, United Way, Community Foundation, and VU Foundation) in a collaborative called ComoHelps (<http://comohelps.org>). Through this collaborative we have consolidated financial donations for the COVID-19 response. Financial contributions are being routed to the Heart of Missouri United Way and the Community Foundation of Central Missouri. Nonprofit and governmental volunteer needs are posted, along with the opportunity for community members to sign up as unaffiliated volunteers for assignment as needed.

ComoHelps also developed a single, joint application for nonprofits to submit requests for funding. This expedites access to support for nonprofits and allows us to coordinate funding used in response to the COVID-19 pandemic. The ComoHelps collaborative meets daily to review and prioritize requests and to allocate funding. The current focus is on funding services being provided in response to COVID-19. Requests for nonprofit sustainability are being referred to federal CARES Act programs and tabled for later consideration. Because this funding collaborative is so unique, ComoHelps have received grants from state and national foundations.
