State Lab COVID 19 Testing: <https://health.mo.gov/living/healthcondiseases/communicable/novel-coronavirus-lpha/pdf/mo-pui-guidance.pdf>

MoDHSS hotline staffed by medical professionals: 877-435-8411

City/County Information:

On March 16, 2020 the City of Columbia declared a state of emergency within the city to respond to COVID-19. The resolution includes calling for proactive measures to protect the public health, safety and welfare; expressing support for and calling upon City Manager John Glascock and Public Health and Human Services Director Stephanie Browning to enact regulations to protect the public health, safety and welfare.

- There are 100 confirmed cases in Boone County, a patient passed away on 3/18/2020, and 63 have recovered from the COVID 19 illness.

Columbia and Boone County issued Public Health Orders for Social Distancing to begin on May 4 and continue until another Public Health Order is issued, they can be found at:

- <https://www.como.gov/wp-content/uploads/City-Order-No-2020-05-Final.pdf>
- <https://www.showmeboone.com/common/pdf/Boone%20County%20Order%20No%202020-05C.pdf>

Boone County Office of Emergency Management opened a virtual EOC on 3/17/2020 to facilitate the coordination of efforts and resources to keep Boone County safe during COVID-19 response efforts.

The City of Columbia Neighborhood Services, in their role as Volunteer Coordination of the Boone Emergency Response Plan, has activated a COVID 19 Volunteer webpage, it can be found here: <https://www.como.gov/volunteer/covid/>

The City of Columbia has a dedicated webpage that provides a summary of City of Columbia services as they related to COVID-19 and it can be found here: <https://www.como.gov/coronavirus/>

As ESF-6 lead, City of Columbia Division of Human Services has activated a COVID-19 Get Help webpage website to list key human services resources needed during the pandemic: COVID-19 Get Help (<https://www.como.gov/health/gethelp-coronavirus/>).

As ESF-6 lead, City of Columbia Division of Human Services has organized five local funders (City, County, United Way, Community Foundation, and VU Foundation) in a collaborative called ComoHelps (<http://comohelps.org>). Through this collaborative we have consolidated financial donations for the COVID-19 response. Financial contributions are being routed to the Heart of Missouri United Way and the Community Foundation of Central Missouri. Nonprofit and governmental volunteer needs are posted, along with the opportunity for community members to sign up as unaffiliated volunteers for assignment as needed.

ComoHelps also developed a single, joint application for nonprofits to submit requests for funding. This expedites access to support for nonprofits and allows us to coordinate funding used in response to the COVID-19 pandemic. The ComoHelps collaborative meets daily to review and prioritize requests and to allocate funding. The current focus is on funding services being provided in response to COVID-19. Requests for nonprofit sustainability are being referred to federal CARES Act programs and tabled for later consideration. Because this funding collaborative is so unique, ComoHelps have received grants from state and national foundations.

MU Healthcare hosts a drive thru COVID 19 testing site. The site hours of operation to Mon-Fri 8 AM to 7 PM, Saturday 8 AM to Noon, and closed on Sundays.

Boone Hospital hosts a drive thru COVID 19 testing site. This site's hours of operation are Mon-Fri 8 AM-4:30 PM, and Saturdays 8 AM to Noon, closed on Sundays.
