This project is being considered for a limited remodeling of approximately 2,500sf within the center core area of the sales floor. Work involves selective demolition of the flooring, ceiling, and fixture walls within this center core area. New ceilings, lighting, and flooring will be installed along with partial height fixture walls. Shallow trenching of the floor slab will be required to accommodate new in-slab electrical receptacles. There are no changes to the mechanical/HVAC system other than the relocation of existing diffusers and/or return grilles, and no plumbing changes. Sprinkler system modifications will be limited to the repositioning of heads based on the new lighting and wall layout. New store fixtures will be provided by the owner. Exterior changes will be limited to painting and new signage. No site work is proposed.</i> | | | | | | |
