Mr. De'Carlton Seewood
City Manager
City of Columbia, Missouri
Columbia, Missouri 65201

This Financial Management Information Supplement (FMIS) is presented with account balances as of March 31, 2023 and with revenues and expenditures for the six-month period ending March 31, 2022. The FMIS is not audited and additionally, it is not presented in the governmental reporting model format. The intent of this report is to provide supplemental financial information in an easy to understand format for all funds of the City.

While the City's annual financial report is audited and prepared in accordance with generally accepted accounting principles, it provides information at a higher level than the FMIS. It also contains certain accounting entries for receivables, payables, revenues and expenditures that are not included in the FMIS which require an extended period of time after the fiscal year end to calculate and process. The FMIS is intended to be compiled in a more timely manner.

Also, the FMIS presents comparative numbers from the same period of the prior fiscal year using the same accounting disclosure rules, allowing the reader to identify trends and providing some reference for analytic purposes.

The Proprietary fund types include eleven Enterprise Funds and five Internal Service Funds. The Fiduciary fund types include the Police and Firefighters' Retirement Fund (Pension), Other Postemployment Benefits Fund, Expendable Trust Funds, a Nonexpendable Trust Fund and Custodial Funds. Two account groups are also included: General Fixed Assets and General Long-Term Debt.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Matthew Lue", written over a faint, stylized blue line graphic.

Mr. Matthew Lue
Director of Finance

SUPPLEMENTAL FINANCIAL STATEMENTS AND SCHEDULES

The supplemental financial presentation contains data beyond what is included in the general purpose financial statements. This data is presented to provide additional financial information in order to better inform the users of the general purpose financial statements.

GENERAL FUND

The general fund is used to account for resources traditionally associated with government which are not required legally or by sound financial management to be accounted for in another fund.
