

Columbia Parks & Recreation Department Financial Assistance Program

Goal: The Financial Assistance Program was created to provide economically disadvantaged individuals access to recreational facilities and programs. Primary focus of this program is placed on Columbia's youth.

I. Financial Assistance Program General Policies

1. Funds are appropriated by Columbia's City Council with additional funding provided by Columbia's Utility Bill Check Off program. Awards will not exceed funding made available through these sources.
2. Awarded scholarships can be applied to cover ARC family or youth annual memberships, ARC "20 Visit" passes, outdoor pool passes and recreational classes provided by the Parks and Recreation Department.
3. The Financial Assistance Program has adopted the Income Eligibility Guidelines established by the U.S. Department of Agriculture, School Lunch Program. The USDA updates these guidelines annually. These guidelines allow for sliding scale assistance based on household income.
4. The amount of co-payment by the financial assistance recipient is based upon their income and household size as it relates to the School Lunch Program.

<u>School Lunch Guidelines</u>	<u>Co-Payment</u>	<u>Financial Assistance Amount</u>
Free Meals (at or below 130% of poverty level)	25%	75%
Reduced Price Meals (130-185% of poverty level)	50%	50%

5. Due to the limited funding available and to distribute the financial assistance to the most individuals possible, each eligible recipient must meet minimum usage requirements.
6. Those qualifying for assistance must notify the Parks and Recreation Department if they choose to withdraw from programs and activities.
7. Awards are made on a first come, first serve basis. All financial assistance will be granted or denied without regard to sex, sexual orientation, marital status, race, creed, religion, disability or national origin.
8. The Missouri Sunshine Law requires the financial assistance record to be open to public inspection. All financial assistance requests will be reviewed by the Columbia Parks and Recreation Department Administration. While the Parks and Recreation Department guards all applicants' privacy internally, if a request is received for the records, it is subject to the requirements under the State of Missouri Sunshine Laws.
