

Adopt-A-Spot Beautification

Available Beds

updated April 2024

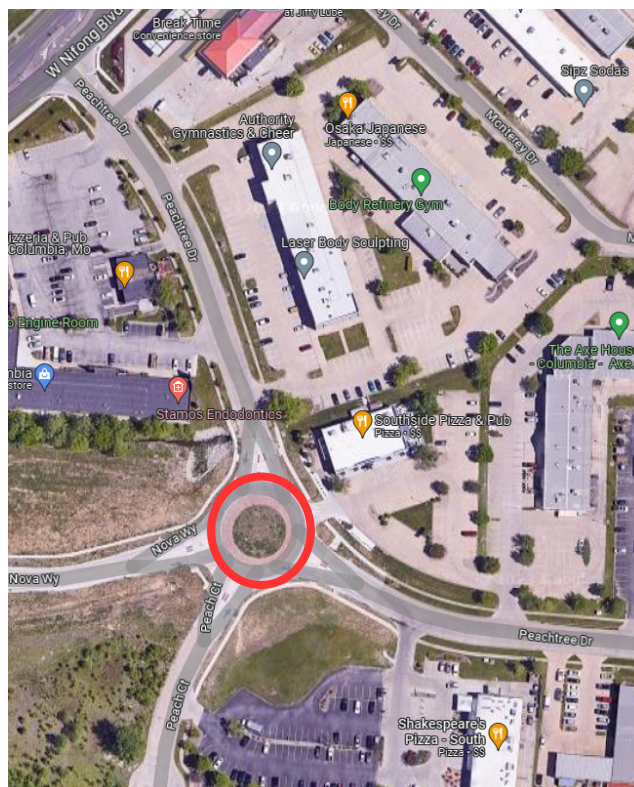

1. Vandiver and Mexico Gravel Road

- quick coupler - water access
- bed is currently full of grass with 2 small trees, a great blank canvas

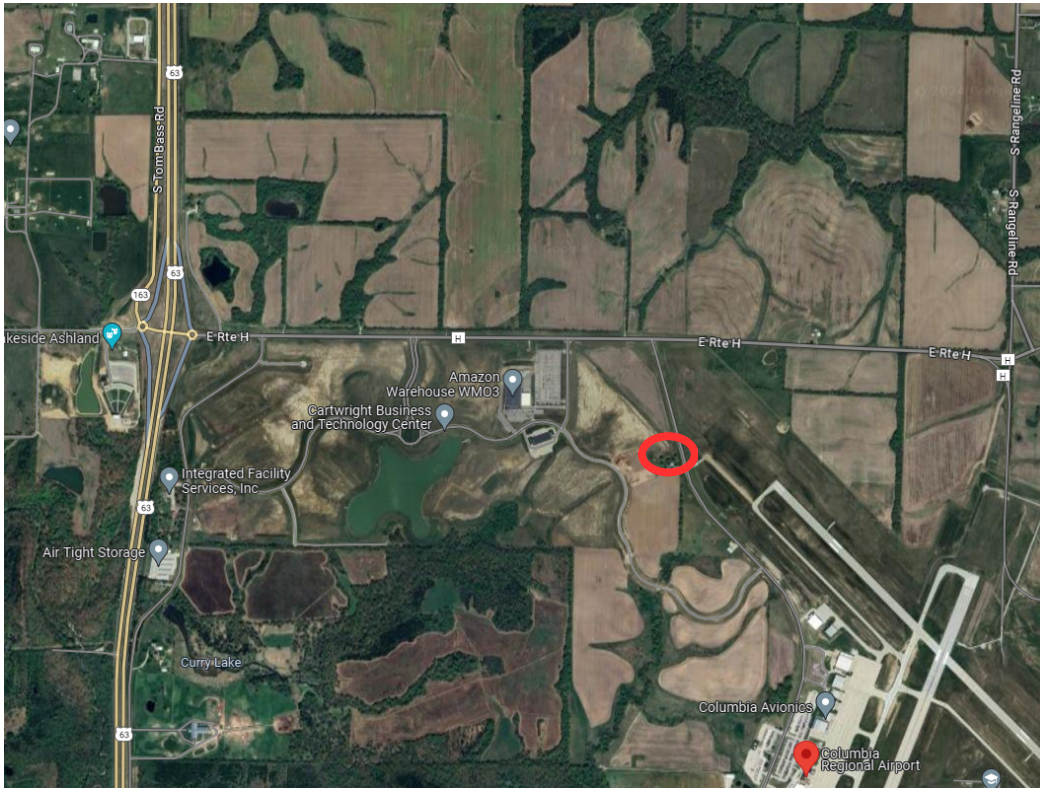

2. Nova Roundabout

- no water access
- bed is currently full of grass, nothing has been planted since construction of the RAB

3. Airport Entrance

- no water access
- new Adopt-A-Spot location with great visibility to those coming and going to the airport as the location is around the entrance sign just off Airport Dr

4. Burning Bush

- no water access
- a great opportunity for a resident to help beautify their neighborhood, by creating a scenic entrance with this bed that is need of some TLC
