

Residential Smart Thermostat Rebate Form

City of Columbia Utilities offers a rebate when you replace your old thermostat with an Energy Star certified smart thermostat.

How to Participate

Complete and submit the following to **Efficiency@CoMo.gov** or by mail to the address at the bottom of the next page:

1. **Residential Smart Thermostat Rebate Application (see reverse side).**
2. **A copy of the receipt/invoice of the smart thermostat.**

Program Parameters

- Must be a City of Columbia Utilities electric customer.
- A rebate of \$50 will be given for each smart thermostat installed.
- To qualify for a rebate, the smart thermostat must be Energy Star Certified.
- The rebate shall not exceed the invoice total.
- Rebate application must be submitted within six months of the thermostat being installed.
 - If the customer is installing the thermostat themselves, the six months is based on the date of purchase.
- City of Columbia Utilities reserves the right to perform an on-site inspection to verify the installation of the thermostat.
