COVID-19 vaccines will be an important tool to help stop the pandemic.

Your best protection from COVID-19 will be a combination of getting a COVID-19 vaccine, wearing a mask, staying at least 6 feet away from others, avoiding crowds, and washing your hands often.

COVID-19 vaccines will not give you COVID-19.

The currently approved COVID-19 vaccines here were tested on tens of thousands of adults from diverse backgrounds.

Clinic trial data show that both vaccines are safe and effective at preventing COVID-19.

When can I get my vaccine in Boone County? CoMo.gov/CovidVaccine
